About Alignvest

Alignvest is an alternative investment management firm created with the founding principle of increasing alignment between asset managers and their clients. Alignvest was formed in 2011 and has raised equity and investment capital from a number of private family offices and institutions. Alignvest’s founding partners have committed to invest over \$230 million of their personal capital into funds managed by Alignvest on a fully discretionary basis, with the capital subject to an investment period to 2024 and subject to full recyclability (including all gains) over the investment period. Alignvest is the parent company of three investment platforms: Alignvest Capital Management Inc., for its public market strategies, Alignvest Private Capital, for its direct private investments, and Alignvest Investment Management Corporation, which provides institutional quality, total portfolio management capabilities to asset owners. Alignvest is headquartered in Toronto, Ontario, with an additional office in London, UK. Alignvest and its investment platforms have over 30 partners and employees.
